

Bangkok Bilingual School  
PRIMARY DEPARTMENT

**REOPENING**

PROTOCOLS & PREPARATIONS

In view of the current COVID-19 situation, for the safety of students and staff, the school expects everyone to follow the prescribed health guidelines:

**A.**

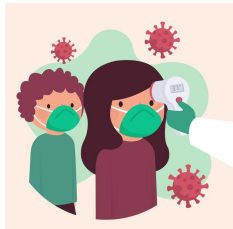

## Arrival

It is mandatory to always wear face masks or face shields.

Hands sanitized at the entrance scanning point.

Body temperature will be checked at the entrance scanning point.

PLEASE TAKE SHOES OFF

Shoes are not allowed inside the building, students need to bring slip-on slippers.

In view of the current COVID-19 situation, for the safety of students and staff, the school expects everyone to follow the prescribed health guidelines:

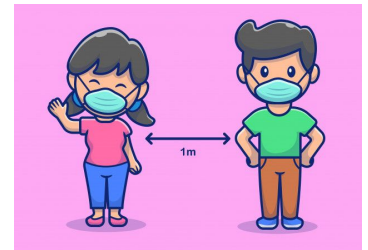

## B.1

# Homeroom

- **Students need to go straight to their classrooms** when they arrive at school. There will NOT be any Morning Assembly, or Speak Up Programme.
- The desks are spaced and arranged to be at **least 1- meter apart**.

- **Social distancing** is strictly imposed at all times, it is especially important when lining up, going up the stairs, and during lunch break. Our **teachers will closely supervise** the students to maintain discipline and ensure that everyone is practicing social distancing.

In view of the current COVID-19 situation, for the safety of students and staff, the school expects everyone to follow the prescribed health guidelines:

## B.2

# Homeroom

- **Snacks and lunch meals** will be held inside the classrooms to avoid the crowd in the cafeteria.
  - Lunch set and utensils will be served individually in **plastic wrap**.
  - To reduce interaction, only **2 students from each class are allowed** to use the toilet, or go to the clinic, at the same time.
- 
- To limit the crowd at the playground during lunch break, students will be grouped (**Group 1: grade 1-3 and Group 2: grade 4-7**) and take turns to allow them to take a break and buy snacks.

In view of the current COVID-19 situation, for the safety of students and staff, the school expects everyone to follow the prescribed health guidelines:

C.

## Academic Programmes

### SANITATION

- **Academic subjects** will still be conducted as usual, but there will not be any group activities.
- **P.E classes** will be held outdoors and maintain social distancing at all times.
- The computers in the laboratory are spaced and arranged to be at least 1-meter apart. **Teachers and staff will sanitize the keyboards and mice every after use.**
- The apparatus and equipment in the **Science laboratory will be sanitized every after use.**
- After-school programmes are still offered on selected courses depending on the number of students.

In view of the current COVID-19 situation, for the safety of students and staff, the school expects everyone to follow the prescribed health guidelines:

## D.1

# Dismissal

- To limit the crowd during dismissal, **each class will leave at a scheduled time.**
- When leaving the building, **everyone should sanitize their hands.**
- Students will stay at **Building 2** while waiting for their parents or guardians. Teachers on duty will call them when their parents or guardians arrive.
- **School bus service leaves at the usual time at 15:20.** A staff will be assigned per school bus to ensure that students are wearing masks and limit the interaction.

In view of the current COVID-19 situation, for the safety of students and staff, the school expects everyone to follow the prescribed health guidelines:

**D.2**

## **Dismissal**

To limit the crowd, parents are requested to pick up their child on time:

Grades 6-7 at **15:15**

Grades 4-5 at **15:20**

Grades 2-3 at **15:25**

Grade 1 at **15:30**

In view of the current COVID-19 situation, for the safety of students and staff, the school expects everyone to follow the prescribed health guidelines:

**E.**
